Logitech®

Harmony® 800 Remote

Complete control of your connected home theatre

- Slide-out keyboard
- One-touch activity control
- Versatile, colour touch screen
- Supports 5000+ brands

The Logitech Harmony® 800 Remote. Control your connected home theatre with one remote. Now it's simple to search, discover and enjoy a world of entertainment. You get one-touch control of 5000+ brands, for control of home-theatre PCs, game consoles,* Internet-connected TVs, set-top boxes and other connected devices. A backlit, slide-out keyboard makes text entry simple and intuitive.** And the colour touch screen shows the controls you need when you need them depending on what you're doing. This is the remote for the way you watch TV today.

* Logitech Harmony Adapter for PLAYSTATION®3 (sold separately) required to control Bluetooth® wireless devices. Nintendo® Wii™ not supported.
** Keyboard compatibility: The keyboard can be paired with only one of your entertainment system's devices at a time, such as your Xbox® or laptop. Please use your smartphone and this QR code to get a list of compatible connected devices. Or visit www.logitech.com/Harmony800/compatibility.
